

## SHOWALTER TENT WANTS TO BE FIRST

### Straining Every Nerve to Lead in Maccabee Mem- bership Honors.

Straining every effort to be the biggest tent in the state of West Virginia, Showalter Tent, No. 7, Knights of the Maccabees, have twenty applications of the twenty-five expected from it in the Markey campaign, which closes on February 1. The tent expects to surpass that number. Showalter Tent has a membership of 800 and at that it is third to the largest in the state with Clarksburg and Parkersburg first and second respectively, but almost nip and tuck for those places at that. Showalter Tent hopes to crawl above both when the figures are compiled.

At last night's meeting Showalter Tent received three applications. Fifteen of the twenty applicants thus far received have been initiated.

The following officers were elected at last night's meeting:

Commander, W. M. Amos; Lieutenant commander, James L. Hall; keeper of records, E. C. Rowand; finance keeper, S. B. Kopp; chaplain, H. L. Carter; sergeant, T. L. Fenton; master at arms, E. D. Gall; first master of guards, S. L. Merrifield; second master of guards, E. W. Carpenter; sentinel, S. G. Ash; picket, H. L. Satterfield; past commander, W. G. Hill; trustee, S. B. Kopp (eleven months). The officers will be installed on Friday evening, January 4, by State Commander C. C. Showalter of Parkersburg. A banquet will be served incident to this meeting.

## GLAD TO TESTIFY

Says Watoga Lady, "As To What  
Cardui Has Done For Me, So  
As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then... it would last... two weeks, and was so weakening, and my health was awful."

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three... I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children... Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

THE food value of cocoa has been proven by centuries of use, and dietitians and physicians the world over are enthusiastic in their endorsements of it. It is said to contain more nourishment than beef, in a more readily assimilated form. The choice, however, should be a high-grade cocoa,—"Baker's" of course.
